## Introduction

**IST-Africa 2015** Conference takes place 06 - 08 May 2015 in Lilongwe, as part of **IST-Africa Week 2015**. An activity of **IST-Africa**, which is supported by the European Commission and African Union Commission and co-funded under the EU Framework Programme, **IST-Africa 2015** is the tenth in an Annual Conference Series bringing together senior representatives from leading public, private, education & research organisations, to discuss ICT policy, showcase research results and share knowledge.

European research activities are structured around consecutive multi-annual programmes, or so-called Framework Programmes. Horizon 2020 sets out the Priorities and thematic areas, including ICT, for 2014 - 2020. Horizon 2020 is fully open to international co-operation with the aim to jointly address major challenges where significant added value is expected to be gained from a world-wide R&D cooperation. In this context, the European Commission has co-funded **IST-Africa** since 2006, to promote African - European research cooperation and support Information Society and ICT aspects of the Africa-EU Strategic Partnership.

Hosted by the Government of Malawi through the National Commission for Science and Technology and Technically Co-Sponsored by IEEE, **IST-Africa 2015** focuses on the Role of ICT for Africa's Development and specifically on Applied ICT research in the areas of eHealth, Technology Enhanced Learning and ICT Skills, Digital Libraries, eInfrastructures, eAgriculture, Societal Implications of Technology, International Cooperation, ICT4D and eGovernment. **IST-Africa 2015** will provide a collegiate setting for presentations and discussions of national & regional developments, issues of concern & good practice models, and networking with peers. **IST-Africa 2015** will also provide an opportunity to identify potential partners for future proposals under Horizon 2020.

**IST-Africa** directly supports Information Society, Innovation and ICT aspects of the Africa-EU Strategic Partnership, the African Ministerial Council on Science and Technology (AMCOST) and the Consolidated Plan of Action for the African Regional Action Plan on the Knowledge Economy (ARAPKE).

The goals of the **IST-Africa** Conference Series are Community Building to facilitate EU-African research cooperation and successful exploitation of research results, to stimulate take-up of RTD results by industry and the public sector, to promote knowledge sharing between commercial, government and research organisations, to exchange experiences about the current state of eAdoption at a sectoral, national or regional level, and to support International Cooperation and open up the European Research Area (ERA) to Africa.

### Who will you meet?

**IST-Africa 2015** Conference attracts policy makers, practitioners, and researchers from leading commercial, government and research organisations around the world. Unlike many research conferences, **IST-Africa** provides an opportunity to meet with senior managers, practitioners, project managers, software engineers and researchers from industry, government and research organisations. Delegates and speakers attend to share knowledge, experience and lessons learnt, and network with their peers from around the world.

**IST-Africa 2015** Conference also provides the unique opportunity to identify partners and opportunities to co-operate in international ICT research projects co-funded by the European Commission under Horizon 2020. Much of the European research results presented in this year's conference were co-funded under the FP7 ICT Programme (2007 - 2013).

#### The Venue

**IST-Africa 2015** Conference takes place in Bingu International Conference Centre (Capital Hill/ Presidential Way) Lilongwe, which is 25 km from the airport.

## The Programme

The 3-day programme features an invigorating mix of business and government case studies, technical and policy papers and interactive workshops. As well as opening and closing plenary sessions, delegates may participate in 35 thematically focused parallel sessions featuring different aspects of International Cooperation, ICT4D, eHealth, eInfrastructures, Technology Enhanced Learning and ICT Skills, Digital Libraries, Mobile Applications, ICT for Environmental Sustainability and eAgriculture, Cyber Security, Societal Implications of Technology and eGovernment. Session Chairs will ensure active discussion and facilitate delegate participation.

In the context of focusing on the Role of ICT for Africa's Development, the Opening Plenary on Wednesday 06 May features a high level dialogue on Implementation of the Information Society in Africa. The Closing Plenary on Friday 08 May focuses on Initiatives Supporting Development of Regional S&T.

The programme is subject to change and the **IST-Africa 2015** Organising Committee reserves the right to alter the contents, venue and/or speakers. This Programme is accurate as at 23 April '15.

## **Networking**

Networking is a key feature of the **IST-Africa** Conference Series. Paper and workshop sessions are designed to maximise knowledge sharing by providing time for interactive discussions during the conference programme itself. Coffee breaks and lunch facilitate informal one-on-one and small group discussions following paper or workshop sessions.

The Delegate Showcase on the Conference Portal allows registered delegates, speakers and exhibitors to publish their own short profile and research interests to facilitate networking before, during and after the conference. Leverage this functionality to contact potential partners in advance and arrange to meet during the conference.

## Living Labs Workshop, 05 May

IST-Africa is organising the fifth Annual Living Lab Thematic Working Group Meeting on Tuesday 05 May 2014.

This workshop will facilitate knowledge sharing and collaboration between Innovation Stakeholders and operators of Living Labs and Innovation Spaces, building on progress achieved at previous Working Group Meetings in Mauritius (2014), Nairobi (2013), Dar es Salaam (2012) and Gaborone (2011). This participatory working group meeting will continue building a network of experts, public, private, education and research and societal stakeholders and entrepreneurs committed to Collaborative Innovation as a mechanism to support sustainable socio-economic development in Africa.

**IST-Africa 2015** delegates are invited to preregister for this participatory working group meeting as part of online registration.

## **Conference Proceedings**

The **IST-Africa 2015** conference proceedings will be published on CD-ROM and on the Conference Portal. Each delegate will receive a free copy of the conference proceedings at Registration.

Following the conference, registered delegates will have access to all PowerPoint presentations, which will be published on the Conference Portal.

Papers that are physically presented during the event will also have the option after the event for their paper to be included in the **IST-Africa 2015** Conference Proceedings will submitted for publication in IEEE Xplore.

## Security, Health and Safety

Please wear your name badge for all **IST-Africa** activities, as it is your identification and allows you access to the facilities on offer. While the conference area is on a secure site and not open to the general public, it is still necessary to take care of bags, personal computers and other personal belongings.

The organisers cannot accept any responsibility for losses incurred or for personal health and safety.

Delegates should ensure that they have personal health insurance and take due care when exploring Lilongwe. Any special needs or requirements should be notified to the Conference Secretariat as far in advance of the event as possible.

#### **Hotel Accommodation**

Delegates can book accommodation in the President Walmont Hotel (new hotel within the conference centre complex) at discounted rates through online registration for **IST-Africa 2015**, based on paymnet in advance.

The President Walmont Hotel is the first 5 star hotel in Malawi. It has a large reception area, a beautiful lobby bar, a relaxing lounge and Wild Orchid Restaurant. Facilities include a gym, spa facility and the Afroma Terrace Bar. Bedrooms have Air conditioning; Bath and shower; Flat screen LCD television; Selected satellite TV channels; Tea and coffee station; Writing desk and Laptop safe.

Delegates are strongly recommended to book their accommodation early as it will be allocated on a first-paid basis. Hotel accommodation can only be confirmed upon receipt of the associated payment. For further information, please visit:

#### www.IST-Africa.org/Conference2015

## How to get there

Lilongwe is the capital of Malawi. There are flights to Lilongwe with Air Malawi, Emirates, Ethiopian Airlines, Kenya Airways, South African Airways and Zambezi Airlines. Delegates are advised to book flights and accommodation as early as possible.

Bingu International Conference Centre is located in Capital Hill area of the city, 25km from the airport.

#### **Sponsors**

**IST-Africa 2015** offers a variety of Sponsorship Opportunities to enhance your organisation's image & standing with the international IST research community. Prominent notice will be given to sponsors on the conference portal, in press releases, together with other benefits and promotional opportunities.

**IST-Africa 2015** is hosted by the Government of Malawi through National Commission for Science and Technology.

Sponsors include MACRA (Malawi Communications Regulatory Authority), Skyband and Malawi Telecommunications Ltd.

e

## **Plenary Session Speakers**

Hon, Emmanuel Fabiano Minister of Education, Science and Technology, Malawi

Dr Paulos Nyirenda

Mrs Lonely Magreta Permanent Secretary for Education, Science and Technology, Malawi

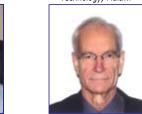

Mr Anthony Muyepa-Phiri Director General, NCST, Malawi

Mr Andrew Kumbatira Director General, MACRA, Malawi

Mr Victor Malewa Deputy Director eGovernment Dept.

Mr Morten Møller DG CONNECT European Commission

Dr Harry Gombachika Malawi Telecommunications

Dr Pascal Hoba UbuntuNet Alliance

Mrs Bessie Nyirenda Management Consultant Malawi Institute of Management

#### Plenary Speakers as at 23 April 2015 include:

- Hon. Dr. Emmanuel Fabiano, M.P., Minister of Education, Science and Technology, Malawi
- Mrs Lonely Magreta, Permanent Secretary for Education, Science and Technology, Malawi
- Mr Anthony Muyepa-Phiri, Director General, National Commission for Science and Technology, Malawi
- Mr Andrew Kumbatira, Director General, Malawi Communications Regulatory Authority
- Mr Victor Malewa, Deputy Director, Department of e-Government, Ministry of Information
- · Mr Adil Sulieman, African Union Commission, Ethiopia
- Mr Kasirim Nwuke, Chief, New Technologies and Innovation Section, UNECA
- Mr Morten Møller, Programme Coordination, DG CONNECT, European Commission, Belgium

- Dr Harry Gombachika, Chief Executive Officer, Malawi Telecommunications Limited
- Dr Pascal Hoba, CEO, UbuntuNet Alliance
- Dr. Paulos Nyirenda, CEO, SDNP
- · Mrs Bessie Nyirenda, Management Consultant, Malawi Institute of Management
- Prof. John D. Kalenga Saka, Vice Chancellor, University of Malawi
- Dr. Robert Ridley, Vice Chancellor, Mzuzu University

- Prof. George Kanyama Phiri, Vice Chancellor, LUANAR
   Martin B. Thawani, Malawi University of Science and Technology
   Dr Charles Mwansambo, Principal Secretary, Ministry of Health
   Stella Kamkwanba, Director of Agriculture Extension Services, Ministry of Agriculture and Food Security

## **International Programme Committee**

A distinguished Programme Committee has been formed to review and provide feedback on papers and presentations, and chair sessions.

The **IST-Africa 2015** International Programme Committee includes

- Paul Cunningham (Conference Chair), IIMC International Information Management Corporation Ltd, Ireland
- Tiwonge Msulira Banda, Ubuntunet Alliance, Malawi
- Laurens Cloete, Meraka Institute, CSIR, South Africa
- Miriam Cunningham, IIMC International Information Management Corporation Ltd, Ireland
- Kim Davis, Research Council of Norway, Norway
   Prof. Love Ekenberg, DSV, University of Stockholm, Sweden
- Dr. Mike Joy, University of Warwick, United Kingdom
- Dr. Chipo Kanjo, Department of Computer Science, Chancellor College, University of Malawi, Malawi
- Mr. Gift Khangamwa, Computing & IT Department, The Polytechnic, University of Malawi, Malawi

- Vasilis Koulolias, eGovLab, Stockholm University, Sweden
   Kristiina Lahde, TANZICT Programme, Tanzania
   Prof. Maurice Mars, University of KwaZulu-Natal, South Africa
- Alinafe Mbendera, Lilongwe University of Agriculture and Natural Resources, Malawi
- Dr. Chomora Mikeka, Department of Physics, Chancellor College, University of Malawi, Malawi
- Lloyd Momba, Director of Telecommunications, Malawi Communications Regulatory Authority, Malawi
- Anthony Muyepa, DG, National Commission for Science and Technology, Malawi
- Loi Namugenyi, Uganda National Council for Science & Technology, Uganda
- Seyani Nayeja, Director of ICT, Mzuzu University, Malawi
- Mrs Bessie Nyirenda, Malawi Institute of Management, Malawi Dr. Sue Pendell, Colorado State University, United States
- Sameerchand Pudaruth, University of Mauritius, Mauritius
- Matti Sinko, Finland

- Bernard Stevenot, SpaceBel, Belgium
- Richard Stevens, Stevens Consultants, Italy
- Dr Marita Turpin, Department of Informatics, University of Pretoria, South Africa
- Prof. Darelle Van Greunen, Nelson Mandela Metropolitan University/ LLiSA, South Africa

## **Organising Committee**

- Miriam Cunningham, IIMC, Ireland
- Paul Cunningham, IIMC, Ireland
- Gift Kadzamira, National Commission for Science and Technology, Malawi
- Ebony Msikawanthu, National Commission for Science and Technology, Malawi

#### **Conference Secretariat**

## Wednesday, May 06, 2015

Registration

09:00 Opening Plenary 1a: Opening Plenary

#### **Opening Remarks**

Anthony Muyepa-Phiri, Director General, National Commission for Science and Technology, Malawi

#### **European Commission Address**

Morten Møller, Programme Coordination, DG CONNECT, European Commission, Belgium

#### **African Union Commission Address**

Adil Sulieman, African Union Commission, Ethiopia

#### **Welcome Address**

Lonely Magreta, Permanent Secretary for Education, Science and Technology, Malawi

#### Official Opening Speech

Hon. Emmanuel Fabiano, M.P., Minister of Education, Science and Technology, Malawi

Coffee Break 10:30

11:00 Plenary Session 2a: High-level Roundtable on Implementation of the Information Society in Africa

Moderator: Paul Cunningham, IIMC, Ireland

Lonely Magreta, Permanent Secretary for Education, Science and Technology

Anthony Muyepa-Phiri, Director General, NCST / CTO MAREN Andrew Kumbatira, Director General, Malawi Communications Regulatory Authority (MACRA)

Victor Malewa, Deputy Director, Department of e-Government, Ministry of Information

Adil Sulieman, Senior Policy Officer, Infrastructure and Energy Department, African Union Commission

Kasirim Nwuke, Chief, New Technologies and Innovation Section, UNECA

Dr Pascal Hoba, CEO, UbuntuNet Alliance

Dr Harry Gombachika, Chief Executive Officer, Malawi Telecommunications Limited

Dr Paulos Nvirenda, CEO, SDNP

Bessie Nyirenda, Management Consultant, Malawi Institute of Management

Lunch

14:00 Workshop 3a: IST-Africa - Research Capacities & Priorities I

Chair: Paul Cunningham, IIMC, Ireland

#### ICT Initiatives and Research Capacity in Malawi

Gift Kadzamira, National Commission for Science and Technology, Malawi

#### ICT Initiatives and Research Capacity in Mozambique

Zauria Saifodine, National Institute for ICT, Mozambique

#### ICT Initiatives and Research Capacity in Namibia

Ebenhezer Kauhonina, National Commission on Research, Science and Technology, Namibia

#### ICT Initiatives and Research Capacity in Botswana

Phodiso Potesh Phole, Ministry of Transport and Communications,

#### ICT Initiatives and Research Capacity in South Africa

Peacemaker Dlamini, Department of Science and Technology, South

a

m

#### ICT Initiatives and Research Capacity in Mauritius

Iqbal Agowun, National Computer Board, Mauritius

14:00 Session 3b: eHealth I

Chair: Chipo Kanjo, University of Malawi, Chancellor College

Towards an ICT Framework to Support a Patient-Centric Approach in Public Healthcare: A Case Study of Malawi Richard Pankomera, Nelson Mandela Metropolitan University, South

**Practicing Evidence-Based Medicine in Developing Countries** Juha Puustjärvi, University of Helsinki, Finland

An Approach for a National eHealth Implementation - the Case of Modular Interactive Tiles for Rehabilitation

Henrik Hautop Lund, Technical University of Denmark, Denmark

SIEMA: A System to Improve the Access to Medical Emergency

Mateus Calado, Faculdade de Ciências - Universidade Agostinho Neto, Angola

14:00 Session 3c: Technology-enhanced Learning I

Chair: Gift Khangamwa, The Polytechnic, University of Malawi

**Evaluating Preparedness for Social Networks Integration into** Learning: A Case Study of Incorero University

Elyjoy Micheni, The Technical University of Kenya, Kenya

Social Media in Higher Learning: Is it a tool for Social or Academic Purpose? A Comparative Study between MoCU, Tanzania and LUANAR, Malawi

George Matto, Moshi Co-operative University, Tanzania

Gamifying a PhD Taught Module: A Journey to Phobos and Deimos

Laurie Butgereit, Nelson Mandela Metropolitan University, South Africa

14:00 Session 3d: eGovernment I

Chair: Bessie Nyirenda, Malawi Institute of Management

E-identity: Basic Building Block of e-Government Jiri Prusa, CZ.NIC Association, Czech Republic

Methodology for Improving Data Quality Management in South **African Government Departments** 

Stanley Ndivhuho Malange, Tshwane University of Technology, South Africa

A Structural Equation Model for Data Warehouse Adoption in a **Government Department** 

Edzai Kademeteme, Tshwane University of Technology, South Africa

Mobile Visualisation Techniques for Large Datasets Ingrid Sieborger, Rhodes University, South Africa

16:00 Workshop 4a: IST-Africa - Research Capacities & Priorities II

Chair: Paul Cunningham, IIMC, Ireland

e

m

#### Defining Joint EU-Africa Priorities - An Opportunity for ICT Collaboration?

Stephane Hogan, European Commission, Ethiopia

#### ICT Initiatives and Research Capacity in Swaziland

Vumile Dlamini, Ministry of Information Communication Technology, Swaziland

#### ICT Initiatives and Research Capacity in Lesotho

Lieketseng Tjokotsi, Department of Science and Technology, Lesotho

## ICT Initiatives and Research Capacity in Tunisia

Noureddine Hamdi, Ministere de l'Enseignement Superieur et de la Recherche Scientifique, Tunisia

#### ICT Initiatives and Research Capacity in Egypt

Haitham Hamza, Information Technology Industry Development Agency (ITIDA), Egypt

#### ICT Initiatives and Research Capacity in Senegal

Toumane Doumbouya, Ministère de l'Enseignement Supérieur et de la Recherche, Senegal

16:00 Session 4b: eHealth II

Chair: Seyani Nayeja, Mzuzu University, Malawi

The Development of an e-Health System for Health Awareness Campaigns in Poor Areas

Chikumbutso Gremu, Office of the Vice President, Malawi

Mobile Health App to Improve the Quality of Care in Community Case Management in Malawi

Chris Kulanga, D-tree International, Malawi

Use of Data Mining to Check the Prevalence of Prostate Cancer: Case of Nairobi County

Njeri Ngaruiya, University of Nairobi, Kenya

Nationwide Health Education Using Mobile Technology Sam Kampondeni, Moyo Wanga Private Clinic, Malawi

16:00 Session 4c: Technology-enhanced Learning II

Chair: Kristiina Lahde, TanzICT Programme , Tanzania

Transforming Africa into a Knowledge-based society: Concretizing the case for Digital Literacies and Revision of ICT Strategies in the Education Sector in the Region

Joseph M. Kavulya, The Catholic University of Eastern Africa, Kenya e-Education Adoption in Emerging Economy Countries: Case of Malawi

Marian Mtingwi, Department of eGovernment, Malawi

Mobile E-Learning: The Choice between Responsive/Mobile Websites and Mobile Applications for Virtual Learning Environments for increasing access to Higher Education in Malawi

Chifundo Chilivumbo, The University of Malawi: The Polytechnic, Malawi

Support Given to Lecturers when Providing Mobile Centric Services in Teaching and Learning: A Policy Analysis Perspective

Baldreck Chipangura, Unisa, South Africa

16:00 Session 4d: eGovernment II

Chair: Vasilis Koulolias, eGovlab, Sweden

Mobile Government in African Least Developed Countries (LDCs): Proposed Implementing Framework

John Mtingwi, Office of the President and Cabinet, Malawi

Using Mobile Phones for Public Participation with Local Government in Cape Town

Jean-Paul Van Belle, University of Cape Town, South Africa

Citizen-Centric Critical Success Factors for the Implementation of E-government: A Case Study of Kenya Huduma Centers Ibrahim Otieno, University of Nairobi, Kenya

Towards Addressing the Requirements for Coordination in the Distributed South African Public Sector from a Virtual Community-Centric Collaboration Process Lifecycle Perspective Godwin Thomas, Nelson Mandela Metropolitan University, South Africa

**End of Parallel Sessions** 

7:30

# Thursday, May 07, 2015

09:00 Workshop 5a: IST-Africa - Research Capacities & Priorities III

Chair: Paul Cunningham, IIMC, Ireland

ICT Initiatives and Research Capacity in Cameroon Njei Check, National Agency for Information and Communication Technologies (ANTIC), Cameroon

ICT Initiatives and Research Capacity in Kenya Jacob Njagih, Ministry of Education, Science and Technology, Kenya

ICT Initiatives and Research Capacity in Uganda

Loi Namugenyi, Uganda National Council for Science & Technology, Uganda

ICT Initiatives and Research Capacity in Burundi Augustin Nsabiyumva, Ministry of Higher Education and Scientific Research, Burundi

ICT Initiatives and Research Capacity in Tanzania Mauridi Abubakari, COSTECH, Tanzania

ICT Initiatives and Research Capacity in Ethiopia Leulseged Alemie, Ministry of Communications and Information Technology, Ethiopia

09:00 Session 5b: eHealth - Health Information Systems I

Chair: Darelle Van Greunen, Nelson Mandela Metropolitan University, South Africa

Developing Capacity for Maintenance of HIS in the Context of Loosely Coordinated Project Support Arrangements
Tiwonge Manda, University of Malawi, Chancellor College, Malawi

A Framework for the Acceptance Process of District Health Information System for Vertical Health Programmes
Achilles Kiwanuka, Health Marc Limited, Uganda

From User Training Courses and Central Support to Creating Local User Competence for Mentoring Colleagues: A Preliminary Study in Malawi

Ellen Bjoerge, University of Oslo, Norway

09:00 Session 5c: Technology Enhanced Learning III

Chair: Noureddine Hamdi, Ministere de l'Enseignement Superieur et de la Recherche Scientifique, Tunisia

Using TV White Spaces and e-Learning in South African Rural Schools

Albert Lysko, Meraka Institute (CSIR), South Africa

Knowledge Sharing Framework for Educators in Southern Africa: A Case Study of Secondary Schools in Tshwane South District

Lovemore Motsi, Tshwane University of Technology, South Africa

The Integration of ICTs into the Learning Activities of the College of Medicine Undergraduate Students

Felix Majawa, Mzuzu University, Malawi

A Preliminary Classification of eLearning Models Zebiba Abegaz, Wollo University, Ethiopia

09:00 Session 5d: eGovernment III

Chair: Zauria Saifodine, National Institute for ICT, Mozambique

An Exploration of Critical Success Factors for e-Governance Project Initiation: A Preliminary Framework

Sylvester Hatsu, Accra Polytechnic, Ghana

Assessing Benefits and Impact Creation in IST Research Projects

Kim Jansson, Technical Research Centre of Finland VTT Ltd., Finland

**Evaluating the Public Value of E-government Services** Gabriel Kamau, Murang'a University College, Kenya

6 - 7 ] F i n a

09:00 Workshop 5e: Identity Federation and Shared Services for Research and Education

Chair: Omo Oaiya, WACREN, Nigeria

Overview of Identity Federation and Shared Services – A Global Perspective

Sabine Jaume-Rajaonia, CIRAD, France

Status of Identity Federations in Africa

Tiwonge Msulira Banda, UbuntuNet Alliance for Research and Education Networking, Malawi

**Service Providers, Shared Services and NREN Clouds** Ognjen Prnjat, GRNET S.A, Greece

Panel discussion - Panelists include:

Joseph Kimaili (UbuntuNet Alliance), Boubakar Barry (WACREN), Bruce Becker (SAGrid), DamienAlline (IRD), Carmen-GloriaLabbe (RedCLARA)

10:30 Coffee Break

11:00 Session 6a: ICT4D

Chair: Haitham Hamza, Information Technology Industry Development Agency (ITIDA), Egypt

Knowledge Sharing in Africa: Perspectives on the Future Jon Gregson, Development Dreamers Ltd, United Kingdom

Designing for Sustainability: Involving Communities in Developing ICT Interventions to Support Water Resource Management

Fiona Ssozi - Mugarura, University of Cape Town, South Africa

Towards a Sustainability Criteria Model for ICT4D Projects and Living Labs Initiatives: A Siyakhula Living Lab Observation Shadreck Mudziwepasi, Siyakhula Living Lab Project, South Africa

How Lessons Learnt informed the Development of an Implementation Framework in an ICT4D Initiative Marlien Herselman, Meraka Institute, CSIR, South Africa

A Lightweight Mobile E-Procurement Solution for Rural Small Scale Traders Implemented Using a Living Lab Approach Felix Ntawanga, University of South Africa, South Africa

11:00 Session 6b: eHealth - Health Information Systems II

Chair: Jacob Njagih, Ministry of Education, Science and Technology, Kenya

A Demographics Data Exchange for Continuity of Care: Is it Feasible in Low-Resource Settings?

Ronald Manjomo, Baobab Health Trust, Malawi

Strengthening Health Management Information Systems in Malawi: Gaps and Opportunities

Maganizo Monawe, I-TECH Malawi, Malawi

A Socio-Technical Approach to Understanding Data Quality in Health Information Systems: Data Quality Intervention in Kenya Ayub Manya, Ministry of Health, Kenya

Applications of Data Mining in the Health Sector in Lesotho: A Preliminary Study

Lebeko Poulo, Limkokwing University of Creative Technology, Lesotho

11:00 Session 6c: Technology Enhanced Learning IV

Chair: Lieketseng Tjokotsi, Department of Science and Technology, Lesotho

An Internet Mediated PhD Program in Computer Science and Information Technology

Izzeldin Osman, Sudan University of Science and Technology, Sudan

Sentiment Analysis of the ICT4Rural Education Teacher Professional Development Course

Coral Featherstone, Meraka Institute, South Africa

MOOCs for Pre-Service Teachers: Their Notions of 21st Century Learning Design

Jameson Goto, University of Johannesburg, South Africa

**Cultivating Lifelong Learning: Pre-Service Teachers and their MOOCs** 

Jacqueline Batchelor, University of Johannesburg, South Africa

11:00 Session 6d: eGovernment IV

Chair: Peacemaker Dlamini, Department of Science and Technology, South Africa

The Value of Information - Assessing ICT requirements in Local Government

Bianca Forlee, University of Cape Town, South Africa

College Electronic Voting Environment (CEVE)

Emily Bagarukayo, Makerere University, Uganda

Local procurement in Mozambique: the case of InBid Albertina Oliveira, Pandora Box, Lda., Mozambique

11:00 Workshop 6e: Synergy for Global Collaboration in Science Powered by R&E networks

Chair: Boubakar Barry, WACREN, Senegal

TANDEM - Strengthening the WACREN Community and Promoting Global Research Collaboration

Damien Alline, IRD, France

Sci-GalA - The next iteration of Infrastructure and Services for e-Science in Africa

Bruce Becker, Meraka Institute, CSIR, South Africa

MAGIC - Collaboration Tools and Agreements for Global Communities

Carmen Gloria Labbe, RedCLARA, Chile

30 Lunch

14:00 Workshop 7a: Impact Assessment of ICT4D projects

Facilitators: Darelle van Greunen & Alida Veldsman, Nelson Mandela Metropolitan University, South Africa

Introduction

**Impact Assessment Terms** 

**Definition of Impact Assessment** 

When to do an Impact Assessment

Impact Assessment Overview

Types and Combination of Impact Assessments Methods Practical exercise focussing on a specific intervention

14:00 Workshop 7b: Supporting Life

Chair: Seyani Nayeja, Mzuzu University, Malawi, Joseph Wu, Luke International, Malawi

An Assessment on the Impact of introducing Electronic based Community Case Management (e-CCM) over paper based Community Case Management in the Management of Childhood Illnesses in Rural Northern Malawi

Griphin Baxter Chirambo, Mzuzu University, Malawi

Applying WHO guideline for National Health Information System Architecture Design to Malawi - from Community to Globe Joseph Wu, Luke International, Malawi

Designing an electronic Community Case Management decision aid for the management of childhood illnesses in village clinics in Malawi- a demo of Supporting LIFE application
Jenny Hsieh, Luke International, Malawi

A Blueprint for Integrated Community Disease Management and Surveillance through the Use of eHealth Applications
Duke Caeser, Luke International, Malawi

14:00 Session 7c: Technology Enhanced Learning V

Chair: Alinafe Mbendera, LUANAR, Malawi

Preparing Teachers to Integrate Tablet Computers into Teaching and Learning

Eunice Eyitayo Olakanmi, University of Johannesburg, South Africa

Use of Tablets in Blended Learning: A Case Study of an Institution of Higher Learning in Kenya

Elizaphan Maina, Kenyatta University, Kenya

Student's Experiences in Using Chat Rooms as Virtual Classrooms: A Case of Kenyatta University Distant Learning Students

Rhoda Gitonga, Kenyatta University, Kenya

Heuristics for Evaluating Usability of Learning Management Systems in Africa

Joel Mtebe, University of Dar es Salaam, Tanzania, Tanzania

14:00 Session 7d: Regulatory Frameworks

Chair: Francis Bisika, Malawi Communications Regulatory Authority, Malawi

Supporting Regulators in becoming more beneficial for society Nils Jensen, Stockholm University, Sweden

On Bringing Governance into Technology: Case of Internet Governance and Implications for Africa

Chipo Kanjo, University of Malawi, Chancellor College, Malawi

Good Corporate Governance of ICT in Municipalities

Petrus Delport, Nelson Mandela Metropolitan University, South Africa

**Improved Service Continuity in Municipalities** 

Ruan Koen, Nelson Mandela Metropolitan University, South Africa

5:30 Coffee Brea

16:00 Workshop 8a: ICT Initiatives in Malawi

Chair: Anthony Muyepa-Phiri, Director General, National Commission for Science and Technology, Malawi

Regulatory Initiatives to Increase ICT Penetration in Malawi Francis Bisika, Malawi Communications Regulatory Authority, Malawi

Software Defined Radios and Internet Independent Broadband Links Using Tailor-Made Android Apps

Stanley Mlatho, Chancellor College - University of Malawi, Malawi

Overview of Digital Migration in Malawi

eInfrastructure Development for Malawi

Chimwemwe Khonje, Malawi Telecommunication Limited, Malawi

**Enabling eHealth in Resource Constrained Settings** 

Oliver Gadabu, Baobab Heath Trust, Malawi

Leveraging ICT Initiatives for Development in Africa Thandikile Mvundula, Nico Technologies, Malawi

16:00 Session 8b: mHealth

Chair: Iqbal Agowun, National Computer Board, Mauritius

A Model for Mobile Phone Adoption in Maternal Healthcare Gilbert Maiga, Makerere University, Uganda

Leveraging Health through Early Warning Systems Using Mobile and Service Oriented Technology

Silvester Namuye, USIU, Kenya

Assessing the Use of Mobile Technology to improve Timeliness of HMIS Reports in Malawi

Christon Moyo, Ministry of Health, Malawi

Re-engineering School Healthcare Services Using Mobile Technologies, in the Eastern Cape

Darelle Van Greunen, Nelson Mandela Metropolitan University, South Africa

Adoption and Use of mHealth System for Livestock Farmers in Karura village in Kenya

David Gichoya, Moi University, Kenya

16:00 Workshop 8c: Mobile GraphoGame Solution to Global Illiteracy

Chair: Heikki Lyytinen, University of Jyväskylä, Finland

**GraphoWorld Solution to Global Illiteracy Crisis** Heikki Lyytinen, University of Jyväskylä, Finland

Mobile Solution for Better Reading Instruction in Rural Africa Christopher Kyakukaisha Yalukanda, Zambia National Union of Teachers/University of Jyvaskyla, Zambia

Ensuring Sufficient Literacy Practice with Tablet Technology in Zambian Schools

Gabriel Walubita, University of Zambia, Zambia

16:00 Session 8d: Cyber Security

Chair: Njei Check, National Agency for Information and Communication Technologies (ANTIC), Cameroon

Improving South Africa's Cyber Security by Cyber Securing its Small Companies

Basie von Solms, University of Johannesburg, South Africa

Digital Forensics in the Cloud: The State of the Art George Sibiya, CSIR, South Africa

**Digital Forensic Readiness for Branchless Banking** Yusuf Mitha, University of Pretoria, South Africa

**Better Information Security Management in Municipalities**Joshua de Lange, Nelson Mandela Metropolitan University, South

An Integrated Internet of Things Based System for Tracking and Monitoring Assets – the case of the Central University of Technology

Muthoni Masinde, Central University of Technology, South Africa

End of Parallel Sessions

## Friday, May 08, 2015

09:00 Session 9a: eAgriculture

Chair: Loi Namugenyi, Uganda National Council for Science & Technology, Uganda

Electronic Voucher System: Leveraging Efficiency in Farm Input Subsidy Programme Implementation

Chrispin Namwera, African Institute of Corporate Citizenship, Malawi

Utilization of ICT for Agriculture: A Case Study of Kakamega County, Kenya

Moses Thiga, Kabarak University, Kenya

Bioacoustic Approaches to Biodiversity Monitoring and Conservation in Kenya

Ciira Maina, Dedan Kimathi University of Technology, Kenya

09:00 Session 9b: ICT Supporting Innovation

Chair: Leulseged Alemie, Ministry of Communications and Information Technology, Ethiopia

Rethinking Girl Data: The Girl Impact Map

Kecia Bertermann, Girl Hub Rwanda, Rwanda

Leveraging FIWARE to Develop Innovative Applications

Pierre-Yves Danet, Orange Labs, France

Business Process Adoption in Organisations: A Case Study from an Insurance Company in South Africa

Judy Van Biljon, University of South Africa, South Africa

The Adoption of Crowdsourcing Platforms in South Africa Jabu Mtsweni, CSIR, South Africa

09:00 Session 9c: Digital Libraries

Chair: Gift Kadzamira, National Commission for Science and Technology, Malawi

Physical Security Measures for Computer-Based Information Systems: a Case Study of Selected Academic Libraries in Kenya Rose Njoroge, Kenyatta University, Kenya

Design of an Open ICT4D Knowledge Repository

Melanie Platz, University of Koblenz Landau, Campus Landau, Germany

Utilization of Digital Spaces in Information Management Work - A Case of Kenya Human Rights Commission Resource Centre Grace Were, Kenya Human Rights Commission, Kenya

09:00 Session 9d: eInfrastructures

Chair: Tiwonge Msulira Banda, UbuntuNet Alliance for Research and Education Networking, Malawi

**Enabling Intercontinental e-Infrastructures – a Case for Africa** Ognjen Prnjat, GRNET S.A, Greece

Surveying Clouds in a Global Environment

Bruce Becker, Meraka Institute, CSIR, South Africa

eInfrastructure: Next Generation Wireless Broadband Networks for Uganda 2020

Geoffrey Mark Kagarura, Makerere University, Uganda

Modeling the Exposure of Services within Next Generation Telecommunication Networks

Mosiuoa Tsietsi, Rhodes University, South Africa

**Design of a Low Cost Television White Space Z Antenna**Jonathan Pinifolo, Malawi Communications Regulatory Authority, Malawi

10:30 Coffee Breat

[8-9] Fina

11:00 Session 10a: eAgriculture & Environmental Sustainability

Chair: Ebony Msikawanthu, National Commission for Science and Technology, Malawi

Heterogeneous Wireless Network Based on Wi-Fi and ZigBee for **Cattle Monitoring** 

Patrick Nkwari, University of Johannesburg, South Africa

Scientific Verification of Weather Lore for Drought Forecasting - The Role of Fuzzy Cognitive Mapping

Solomon Mwagha, Central University of Technology, South Africa

Weather Observation via Stratospheric Platform Stations Sihle Sibiya, Durban University of Technology, South Africa

11:00 Session 10b: eInclusion

Chair: Ebenhezer Kauhonina, National Commission on Research, Science and Technology, Namibia

Factors Determining Digital Divide in Ghana's Basic Schools James Sunney Quaicoe, Tallinn University, Estonia

**Rethinking Network Connectivity in Rural Communities in** Cameroon

Jean Louis Fendji Kedieng Ebongue, University of Ngaoundéré, Cameroon

The e-Services Provisioning as Part of the Millennium Developmental Goals (MDGs): Initiative of Addressing Digital **Divide in Rural and Marginalized Communities** 

Mfundo Shakes Scott, University of Fort Hare, South Africa

An Analysis of Current ICT Trends for Sustainable Strategic Plan for Southern Africa

Nobert Jere, Polytechnic of Namibia, Namibia

11:00 Session 10c: Next Generation Computing

Chair: Jonathan Pinifolo, Malawi Communications Regulatory Authority, Malawi

Social Things: Now We Can

Bruno Apolloni, University of Milano - Italy, Italy

A Maker-Community-Friendly Implementation of a Smart and **Green Office Environment: Lessons Learned** Andrew Cyrus Smith, CSIR Meraka Institute, South Africa

A Conceptual Framework for Cloud-Computing Management: An **End-user Environment Perspective** 

Likhwa Mlotshwa, University of Pretoria, South Africa

Using Artificial Neural Networks to Predict Winners in Horseraces: A Case Study at the Champs de Mars Sameerchand Pudaruth, University of Mauritius, Mauritius

Interdependent Enterprise Resource Planning risks in Small and Medium-Sized Enterprises in developing countries

Carrington Mugove Mukwasi, University of Cape Town, South Africa

13:30 Closing Plenary 11: Innovation and Research Capacity Building in Malawi

#### Panelists include:

Prof. John D. Kalenga Saka, Vice Chancellor, University of Malawi Dr. Robert Ridley, Vice Chancellor, Mzuzu University Prof. George Kanyama Phiri, Vice Chancellor, LUANAR Martin B. Thawani, Malawi University of Science and Technology Dr Charles Mwansambo, Principal Secretary, Ministry of Health Stella Kamkwamba, Director of Agriculture Extension Services, Ministry of Agriculture and Food Security

**Best Paper Award** 

## **Registration Information**

It is necessary for all **IST-Africa 2015** delegates to register online. Each delegate should be registered separately.

#### **Conference Fees**

#### **Authors Fees (Due by 10 March)**

Authors - African States	€100
<ul> <li>Authors - EU New Member States,</li> </ul>	
EU Candidate & Developing Countries	€200
Authors - All countries except above	€300
Disease water that the coupling for its only available to account of	

Please note that the author fee is only available to accepted presenters in the Programme (*one presenter per paper*). Co-authors who wish to participate should register as Delegates.

#### Delegates' Fees - Early Bird up to 31 March

Delegate Early Bird - African States

€200

 Delegate Early Bird - EU New Member States, EU Candidate Countries and Developing Countries €300

Countries and Developing Countries €300
• Delegate Early Bird - All countries except above €400

#### Delegates' Fees - Full Fee from 01 April

• Delegate Full Price - African States €250

 Delegate Full Price - EU New Member States, EU Candidate & Developing Countries
 Delegate Full Price - All countries except above

€400
€500

## **The Conference Fee includes:**

- Entrance to all plenary and parallel sessions
- Documentation with proceedings on CD-Rom
- Three luncheons and refreshments at morning and afternoon breaks

#### **Terms & Conditions**

- All authors who are presenting a paper at IST-Africa
   2015 must complete their payment registration by 10 March at the latest, prior to publication of the Final Programme.
- 2. In the case where a paper is jointly authored, the presenter of the paper is considered to be the author/presenter from a payment registration point of view. All co-authors are considered to be delegates.
- 3. Each presenter will present one paper in the Programme.
- 4. Delegates' fees must be paid before admission to the Conference.
- 5. IEEE Members are entitled to apply for a 10% discount on the appropriate fee. Please provide Membership No. as part of online registration and fax a copy of valid Membership card to +353-1-8170606.
- 6. There are **no refunds for cancellations** but substitutions may be made at any time prior to the event by contacting the Conference Secretariat.
- 7. Each individual must be registered separately on the IST-Africa Conference portal.
- 8. Payment may be made by bank transfer or credit card (with some restrictions). Payments made by bank transfer must be **net of any bank charges** and the payment instruction should refer to "IST-Africa 2015 Conference", your name, organisation and invoice number (if relevant).
- 9. Receipts are automatically issued electronically upon receipt of payment. If your organisation requires an invoice to process payment registration by bank transfer, please contact the Conference Secretariat.
- 10. Conference registration or hotel accommodation is not confirmed until full payment is received.
- 11. Letters of invitation can only be issued following delegate registration online and receipt of payment.
- 12. The registration desk will open on Tuesday 05 May from 16:30 to 19:00 and will remain open during normal conference hours from 08:00 on Wednesday.

## **Major Places of Interest**

Lilongwe is a green city with a lot of trees and grassland throughout the city. The Capital Hill district where the conference centre is located is primarily the home of government Ministries and Embassies. Souvenirs can be purchased in the Old Town Mall and Lilongwe Craft Market near the Old Post Office. The Lilongwe Nature Sanctuary is located between the Old and new parts of Lilongwe and includes the Lilongwe Wildlife Centre.

While in southern Malawi, delegates should visit Lake Malawi, Monkey Bay, Mulanje Mountain and Likoma Island.

## **Climate**

Malawi has a moderate climate during May with average temperatures of 15 - 25 degrees Celsius during the day. Rains are possible during May and delegates should bring rain wear.

#### Visa Information

Conference delegates should contact the Malawi Embassy in your Country of Residence six to eight weeks prior to travelling, to determine if you require a visa, can secure a visa on arrival or must apply for a visa in advance.

African countries whose nationals do not require a visa for Malawi include: Botswana, Gambia, Ghana, Kenya, Lesotho, Madagascar, Mauritius, Mozambique, Namibia, Seychelles, Sierra Leone, South Africa, Swaziland, Tanzania, Uganda, Zambia, Zimbabwe. Other African countries require a visa.

European countries whose nationals do not require a visa for Malawi include: Belgium, Cyprus, Denmark, Finland, France, Germany, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Northern Ireland, Norway, Portugal, San Marino, Spain, Sweden and United Kingdom. Other European countries require a visa.

If you are travelling through other countries to get to Malawi, it is necessary to check if you require transit visas.

The **IST-Africa 2015** Organising Committee can only issue Letters of Invitation for visa purposes to delegates after payment for their conference registration has been received.

## **Vaccinations**

Conference delegates travelling to Malawi are recommended to have up to date Tetanus, Hepatitis A, Typhoid vaccines and bring malaria tablets with you. Whatever tablets you use, remember to complete the course as directed after leaving the malaria area.

Proof of Yellow Fever vaccine (Yellow Book) is required for those arriving from a yellow-fever-infected area in Africa.

Please engage with your personal physician or travel

health clinic four to six weeks prior to travelling, outlining where in Malawi you intend to visit.

#### **IST-Africa Initiative**

Supported by the European Commission (EC) and African Union Commission (AUC), and Co-Funded under FP7 (Contract 611795), **IST-Africa** facilitates and supports:

- International Innovation, Research and Policy Cooperation
- Knowledge Sharing and Skills Transfer between IST-Africa Partners
- Collaborative Innovation, Entrepreneurship & Adoption of Living Labs
- Africa EU Strategic Partnership (Information Society, ICT, Innovation)

#### **IST-Africa** Activities include:

- Annual IST-Africa Week Hosted by IST-Africa Partner Governments
- Analysis of African Adoption, Implementation, Policy and Research Priorities
- Analysis of African Innovation Spaces, Living Labs and Research Capacity of HEIs
- Horizon 2020 and Living Labs Training Workshops in IST-Africa Partner Countries to Support Research
- Capacity Building and Accelerate Information Society Development and ICT Adoption across Africa
- Participation in Information Society, ICT and Innovation related International Cooperation (including
- Africa EU Strategic Partnership, EU AUC Living Labs Taskforce for Africa, CODIST - UNECA and WSIS)
- Horizon 2020 Help Desk supporting African European Research Collaboration

**IST-Africa** is a collaborative initiative between IIMC International Information Management Corporation Limited (Ireland, Coordinator), Ministerio da Ciencia e Tecnologia (Angola), Department of Science and Technology (South Africa), Ministry of Infrastructure, Science and Technology (Botswana), Ministry of Communications, Science and Technology (Lesotho), Ministry of Education (Namibia), ICT Policy Implementation Technical Unit (Mozambigue). National Computer Board (Mauritius), Ministry of Information Communication Technology (Swaziland), National Commission for Science and Technology (Malawi), COSTECH - Tanzania Commission for Science and Technology, Uganda National Council for Science and Technology, Ministry of Higher Education, Science and Technology (Kenya), Ministere de l'Enseignement Superieur et de la Recherche Scientifique (Burundi), Ministry of Science and Technology (Ethiopia), Agence Nationale des Technologies de l'Information et de la Communication (Cameroon), Ministère de l'Enseignement Supérieur, des Universités et de la Recherche (Senegal), Ministere de l'Enseignement Superieur et de la Recherche Scientifique (Tunisia) and Information Technology Industry Development Agency (Egypt).

#### **Horizon 2020**

Horizon 2020 commenced in January 2014 as the new Framework Programme to implement the Innovation Union with research and innovation funds of €80 billion from 2014 - 2020.

Horizon 2020 addresses all research and innovation funding that was previously provided through the Framework Programmes for Research and Technical Development (e.g. FP7), Competitiveness and Innovation Programme (CIP) and European Institute of Innovation and Technology.

Three main priorities include:

- Excellence Science Research Infrastructures, Marie Curie (Mobility Grants), Future and Emerging Technologies
- Leadership in Enabling and Industrial Technologies (LEIT) Components & Systems, Advanced Computing, Future Internet, Content Technologies and Information Management, Robotics, Micro and Nanoelectronics and photonics
- Societal Challenges Health, Food Security & Agriculture, Energy, Transport, Climate action and Environment, Innovation and Reflective Societies and Secure Societies

Updated Work Programmes for 2015 for each thematic area were published on July 2014.

ICT is a horizontal activity that is included across a number of Work Programmes within LEIT and within Societal Challenges.

The IST-Africa Guide to 2015 Calls for Proposals within Horizon 2020 provides an overview of Calls, themes and deadlines within the Marie Curie, eInfrastructures, Leadership in Enabling and Industrial Technologies (LEIT - Components and Systems, Advanced Computing, Future Internet, Content Technologies and Information Management, Robotics and Key enabling Technologies (Micronano-electronics and photonics)) and each of the Societal Challenges (Health, Food Security and Agriculture, Energy, Transport, Environment, Inclusive and Reflective Societies, Secure Societies) Work Programmes.
