Conference

Hosted by

STRY OF EDUCATION

Supported by

AFRICAN UNION

**Technical Co-Sponsor** 

# Introduction

**IST-Africa 2019** Conference takes place 8 -10 May 2018 in Nairobi, Kenya, as part of **IST-Africa Week 2019**. An activity of **IST-Africa**, which is supported by the European Commission and African Union Commission and co-funded under the EU Framework Programme, **IST-Africa 2019** is the fourteenth in an Annual Conference Series bringing together senior representatives from leading public, private, education & research organisations, to discuss ICT policy, showcase research results and share knowledge.

European research activities are structured around consecutive multi-annual programmes, or so-called Framework Programmes. Horizon 2020 sets out the Priorities and thematic areas, including ICT, for 2014 - 2020. Horizon 2020 is fully open to international co-operation with the aim to jointly address major challenges where significant added value is expected to be gained from a world-wide R&D cooperation. In this context, the European Commission co-funded **IST-Africa** from 2006 - 2018, to promote African - European research cooperation and support Information Society and ICT aspects of the Africa-EU Strategic Partnership.

Hosted by the Government of Kenya through the Ministry of Education and Technically Co-Sponsored by IEEE, **IST-Africa 2019** focuses on the the Role of ICT, Research and Innovation in Africa's Development and specifically on Applied ICT research in the areas of eHealth, Technology Enhanced Learning and ICT Skills, eInfrastructures, eAgriculture, Societal Implications of Technology, International Cooperation, ICT4D and eGovernment. **IST-Africa 2019** will provide a collegiate setting for presentations and discussions of national & regional developments, issues of concern & good practice models, and networking with peers. **IST-Africa 2019** will also provide an opportunity to identify potential partners for future proposals under Horizon 2020.

**IST-Africa** directly supports Information Society, Innovation and ICT aspects of the Africa-EU Strategic Partnership and the Science, Technology and Innovation Strategy for Africa (STISA-2024)

The goals of the **IST-Africa** Conference Series are Community Building to facilitate EU-African research cooperation and successful exploitation of research results, to stimulate take-up of RTD results, to promote knowledge sharing between commercial, government and research organisations, to exchange experiences about the current state of eAdoption at a sectoral, national or regional level, and to support International Cooperation and open up the European Research Area (ERA) to Africa.

## Who will you meet?

**IST-Africa 2019** Conference attracts policy makers, practitioners, and researchers from leading commercial, government and research organisations around the world. Unlike many research conferences, **IST-Africa** provides an opportunity to meet with senior managers, practitioners, project managers, software engineers and researchers from industry, government and research organisations. Delegates and speakers attend to share knowledge, experience and lessons learnt, and network with their peers from around the world.

**IST-Africa 2019** Conference also provides the unique opportunity to identify partners and opportunities to co-operate in international ICT research projects co-funded by the European Commission under Horizon 2020. The Programme also facilitates sharing of interim results from ongoing Horizon 2020 projects including projects funded under the ICT-39-2015 and ICT-39-2017 Calls.

## The Venue

**IST-Africa 2019** Conference takes place in Laico Regency Hotel, Loita Street, Nairobi, which is located in the city centre.

# **The Programme**

The 3-day programme features an invigorating mix of business and government case studies, technical and policy papers and interactive workshops. As well as opening and closing plenary sessions, delegates may participate in 37 thematically focused parallel sessions featuring different aspects of International Cooperation, eHealth, Technology Enhanced Learning and ICT Skills, CyberSecurity, Next Generation Computing including Internet-ofthings, eGovernment, ICT4D, eAgriculture, Content Technologies and Societal Implications of Technology. Session Chairs will ensure active discussion and facilitate delegate participation.

In the context of focusing on the Role of ICT, Research and Innovation in Africa's Development, the Opening Plenary on Wednesday 9 May features a high level Roundtable on the Role of ICT, Research and Innovation in Supporting Entrepreneurship and Socio-Economic Development in Africa.

The programme is subject to change and the **IST-Africa 2019** Organising Committee reserves the right to alter the contents, venue and/or speakers. This Programme is accurate as at 03 May 2019.

# Networking

Networking is a key feature of the **IST-Africa** Conference Series. Sessions are designed to maximise knowledge sharing by providing time for interactive discussions during the conference programme itself. Coffee breaks and lunch facilitate informal one-on-one and small group discussions.

The Delegate Showcase on the Conference Portal allows registered delegates, speakers and exhibitors to publish their own short profile and research interests to facilitate networking before, during and after the conference.

## **Conference Proceedings**

The **IST-Africa 2019** conference proceedings will be published on a USB Drive and published on an open access basis in the Paper Repository on the Conference Portal. Each delegate will receive a free copy of the conference proceedings at Registration.

Papers that are physically presented during the event will also have the option after the event for their paper to be included in the **IST-Africa 2019** Conference Proceedings submitted for publication in IEEE Xplore. Each presenter will present one paper in the Programme.

# Security, Health and Safety

Please wear your name badge for all **IST-Africa** activities, as it is your identification and allows you access to the facilities on offer. It is necessary to take care of bags, personal computers and other personal belongings. The organisers cannot accept any responsibility for losses incurred or for personal health and safety. Delegates should ensure that they have personal health insurance and take due care when exploring Gaborone.

# **Hotel Accommodation**

Delegates can book accommodation in the Laico Regency Hotel, through online registration for **IST-Africa 2019**, based on payment in advance.

## How to get there

Nairobi is the capital of Kenya. The conference venue is located in the city centre. While in Nairobi, delegates should visit the National Museum, National Park, Bomas of Kenya and the City Market. Given that Nairobi is a large and busy city, delegates should take care when walking around the city centre.

The airport is situated between 45 - 60 minutes drive from the city centre, depending on traffic. An official taxi from the airport to city centre costs in the region of 2,000 KES each way.

# Climate

Nairobi has a moderate climate average temperatures of 22 degrees Celsius. It is cooler in the evening. Rains are possible during May and delegates should bring rain wear.

# **Support Organisations**

**IST-Africa 2019** is hosted by the Government of Kenya through the Ministry of Education. Support Organisations include the European Commission, National Research Fund Kenya, Global Good and IEEE Humanitarian Activities Committee.

# **IST-Africa Initiative**

Supported by the European Commission (EC) and African Union Commission (AUC), **IST-Africa** facilitates and supports:

- Strategic engagement with Africa focused on International Research, Innovation and Policy Cooperation
- Knowledge Sharing, Capacity Building and Skills Transfer between IST-Africa Partner Countries
- Collaborative Open Innovation, ICT4D, Technology & Social Entrepreneurship
- Africa EU Strategic Partnership (ICT, Information Society, Innovation)

### IST-Africa Activities include:

- Annual IST-Africa Week Hosted by IST-Africa Partner Governments and associated Scientific Proceedings
- Monitoring and Analysis of African Technology-related Research & Innovation Priorities
- Analysis of African Research & Innovation Capacity, and Innovation Spaces
- Horizon 2020 Training Workshops to support Research and Innovation
- Capacity Building and promote Africa EU Cooperation
   Opportunities
- Help Desk supports African European Research Collaboration
- Participation in Technology, ICT4D, Policy and Innovation related International Cooperation Events

The IST-Africa Initiative is a strategic collaboration between IST-Africa Institute (Ireland), IIMC (Ireland, Coordinator), Ministry of Transport and Communications (Botswana); Ministere de l'Enseignement Superieur et de la Recherche Scientifique (Burundi); Agence Nationale des Technologies de l'Information et de la Communication (Cameroon); Information Technology Industry Development Agency (Egypt); Ministry of Communication and Information Technology (Ethiopia); Ministry of Higher Education, Science and Technology (Kenya); Ministry of Communications, Science and Technology (Lesotho); National Commission for Science and Technology (Malawi); National Computer Board (Mauritius); Instituto Nacional de Tecnologias de Informacao e Comunicacao (Mozambigue); National Commission on Research, Science and Technology (Namibia); Ministère de l'Enseignement Supérieur de la Recherche (Senegal); Department of Science and Technology (South Africa); Ministry of Information Communication Technology (Swaziland); COSTECH - Tanzania Commission for Science and Technology; Ministere de l'Enseignement Superieur et de la Recherche Scientifique (Tunisia) and UNCST (Uganda).

# **Plenary Session Speakers**

Prof George Magoha CBS, Cabinet Secretary MoE, Kenva

Executive Director

KENET, Kenva

Prof. Collette A. Suda,

PhD, FKNAS, CBS

PS, MoE, Kenya

Megan Bettilyon Director Global Good

Plenary Speakers as at 03 May 2019 include:

- Prof. George Magoha CBS, Cabinet Secretary, Ministry of Education
   Prof. Collette A. Suda, PhD, FKNAS, CBS, Chief Administrative Secretary and Principal Secretary, State Department for University Education and Research, Ministry of Education
- Walter Tretton, Head of Infrastructure Section, First Counsellor, Delegation of the European Union to the Republic of Kenya
- Dr. Jemimah Onsare, Ag. CEO. National Research Fund, Kenya
- Dr Gilbert Mugeni, Ag. Assistant Director, Innovation and Research Development, Communications Authority of Kenya

Dr. Jemimah Onsare

Ag. CEO, National Research Fund,

Kenva

Dr. Salome Guchu,

CFO

KENIA

- Dr Katherine Getao, CEO, ICT Authority of Kenya
- Dr. Moses Rugutt, Director General, National Commission for Science Technology and Innovation (NACOSTI)
- Prof. Meoli Kashorda, Executive Director, Kenya Education Network (KENET)
- Megan Bettilyon, Director, Renewable Energy and Special Projects, Global Good
- Dr. Salome Guchu, Ag. CEO, Kenya National Innovation Agency (KENIA)
- Dr Charity Wayua, Senior Manager, IBM Research Africa
   Dr. Maxwell Otim Onapa, Director Science, Research and Innovation, Ministry of Science, Technology and Innovation, Uganda
- Boniface Akuku, Director, Information and Communication Technology, Kenya Agricultural and Livestock Research Organization

# **International Programme Committee**

A distinguished Programme Committee has been formed to review and provide feedback on papers and presentations, and chair sessions.

### The IST-Africa 2019 International Programme Committee includes

- Paul Cunningham (Conference Chair), IST-Africa Institute / IIMC, Ireland
- Prof. Manuel Castro, UNED, Spain
- Laurens Cloete, University of Pretoria, South Africa Miriam Cunningham, IST-Africa Institute / IIMC, Ireland
- Kim Davis, Research Council of Norway, Norway
- Prof. Love Ekenberg, DSV, University of Stockholm, Sweden Dr Shaikh Fattah, BUET, Bangladesh
- Prof. Kenneth Foster, North Carolina State University, USA Dr Javier Garcia-Zubia, University of Deusto, Spain

- Vicky Hailey, VHailey, USA Dr Haitham Hamza, ITIDA, Egypt
- Dr Charmayne Hughes, Health Equity Institute, San Francisco State University, USA
- Prof. Mohamed Jmaiel, University of Sfax, Tunisia
- Dr Chipo Kanjo, Chancellor College, University of Malawi, Malawi
- Vasilis Koulolias, eGovLab / DSV, Sweden

4

- Kristina Lahde, Saliens Ltd, Finland Ilari Lindy, SAIS II, Namibia Gareth MacNaughton, RMIT University, Spain
- Morten Møller, GRENÉN, Denmark
- Dr Tshiamo Motshegwa, University of Botswana, Botswana
- Dr Joshua Ndiege, United States International University Africa, Kenva
- Vasílis Koulolias, eGovLab, Stockholm University, Sweden
- Dr David Quaglia, Universita' degli Studi di Verona, Italy

5

- Dr Fungai Bhunu Shava, NUST, Namibia
- Prof Darelle van Greunen, Nelson Mandela University, South Africa

### Registration

### 09:00 Opening Plenary 1a

Moderator: Dr Eric Mwangi, State Department for University Education and Research, Ministry of Education

### **Opening Remarks**

Prof. Collette A. Suda, PhD, FKNAS, CBS, Chief Administrative Secretary and Principal Secretary, State Department for University Education and Research, Ministry of Education

### EU Africa Research and Innovation Cooperation

Walter Tretton, Head of Infrastructure Section, First Counsellor, Delegation of the European Union to the Republic of Kenya Welcome Address

Prof. George Magoha CBS, Cabinet Secretary, Ministry of Education

### Coffee Break & Networking

10:30 Plenary Session 2a: High-Level Roundtable focused on Role of Co-Design and Innovation, Science and Technology in Achieving Sustainable Socio-Economic Development in Africa

Moderator: Paul Cunningham, IIMC, Ireland

Panelists include:

Dr. Jemimah Onsare, Ag. CEO, National Research Fund, Kenya Dr Gilbert B. Mugeni, Ag Assistant Director, Innovation & Research, Communications Authority of Kenya

Prof. Meoli Kashorda, Executive Director, Kenya Education Network (KENET)

Dr. Moses Rugutt, Director General, National Commission for Science Technology and Innovation (NACOSTI), Kenya

Dr. Maxwell Otim Onapa, Director Science, Research and Innovation, Ministry of Science, Technology and Innovation, Uganda

Boniface Akuku, Director, Information and Communication Technology, Kenya Agricultural and Livestock Research Organization

а

m

William Wasswa, Mbarara University of Science and Technology, Uganda

14:00 Workshop 3c: Innovation in STEM Education using Technologyenhanced Learning: the GO-GA Experience

### Chair: Célia Gavaud, MITO Technology, Italy

Introduction Célia Gavaud, MITO Technology, Italy The Go-Lab Ecosystem Denis Gillet, EPFL, Switzerland Inquiry Based Learning in the Context of Technology Enhanced Learning and Teacher Training Rosa Doran, NUCLIO - Núcleo Interativo de Astronomia, Portugal **Ongoing GO-GA Pilots** Fer Coenders, University of Twente, Netherlands Interim Pilot Results, Kenya Isaac Kinyanjui, eLimu eLearning Company, Kenya Interim Pilot Results, Nigeria Olatunbosun Tijani, Co-creation Hub, United Kingdom Wrap Up & Discussion Célia Gavaud, MITO Technology, Italy

### 14:00 Session 3d: Content Technology Applications 1

Chair: Gift Kadzamira, National Commission for Science and Technology, Malawi

**DBI : A Model for Drive-By Intelligence** Laurie Butgereit, Nelson Mandela University, South Africa FileLinker: Simple Peer-to-Peer File Sharing Using Wi-Fi Direct and NFC Brian Greaves, University of Johannesburg, South Africa Ontology-driven Open Data Enrichment Framework for Value **Optimisation: The Case of National** Performance Indicators for Botswana Oarabile Sebubi, BUIST, Botswana

### 14:00 Session 3e: eGovernment I

Chair: Njei Check, National Agency for Information and Communication Technologies (ANTIC), Cameroon

Improving capacity for knowledge management in county governments: Perspectives from selected counties in Kenya Joshua Ndiege, United States International University-Africa, Kenya An e-Government Assessment Framework for Service Delivery in South Africa's Municipalities: Rational Choice Theory Approach

Muthoni Masinde, Central University of Technology, South Africa Analysis of the adoption and use of ICT for e-government services: The case of Mozambique

Domingos Luis Rhongo, Catholic University of Mozambique(FGTI), Mozambique

Adoption of Virtualization by Government Organizations in Kenya

Tabitha Kihara, Moi University, Kenya

Coffee Break & Networking

16:00 Workshop 4a: IST-Africa - Research Capacities and Priorities II

### Chair: Paul Cunningham, IIMC / IST-Africa Institute, Ireland

ICT Initiatives and Research Capacity in Cameroon Njei Check, National Agency for Information and Communication Technologies (ANTIC), Cameroon

ICT Initiatives and Research Capacity in Egypt Haitham Hamza, ITIDA, Egypt

### ICT Initiatives and Research Capacity in Senegal

Toumane Doumbouya, Ministère de l'Enseignement Supérieur et de la Recherche, Senegal

ICT Initiatives and Research Capacity in Tunisia

Mohamed Jmaiel, Ministere de l'Enseignement Superieur et de la Recherche Scientifique, Tunisia

# 08 - 10 May 2019

### ICT Initiatives and Research Capacity in Namibia

Ebenhezer Kauhonina, National Commission on Research, Science and Technology, Namibia

### 16:00 Session 4b: eHealth Applications & Case Studies 2

### Chair: Augusto Nunes, INTIC, Mozambique

# Re-visiting National eHealth Strategies in the IoT and Big Data Era

Anthony Maina, Dedan Kimathi University of Technology, Kenya Developing a Mobile Application to Simulate Surgeries without the Use of a Cadaver

Suama Hamunyela, Namibia University of Science and Technology, Namibia

Standards for Sensor Technologies that Support Mobile Patient Health Monitoring in Resource Constrained Settings Andrew Alunyu Egwar, Busitema University, Uganda

IoT based Appliances Identification Techniques with Fog Computing for e-Health

Amleset Kelati, Royal Institute of Technology (KTH), Sweden

### 16:00 Session 4c: Technology-enhanced Learning I

Chair: Lefa Thamae, Department of Science and Technology, Lesotho

A Learner Model for Adaptive e-Leaning Based on Learning Theories

Selina Atwani Ochukut, University of Nairobi, Kenya

Contributions and Shortcomings of Classical Learning Theories as Applied to E-Learning: A Literature Review Rachael Kibuku, KCA University, Kenya

Perceptions on Using E-learning in Preserving Knowledge on Namibia's Indigenous Medicinal Plants

Katazo Amunkete, Namibia University of Science and Technology, Namibia

### 16:00 Session 4d: Content Technology Applications 2

### Chair: Zacheous Kantchowa, NCST, Malawi

# Mobile Technology as an Enabler of Innovation in Kenya's Micro, Small and Medium Establishments

Eliud Moyi, Kenya Institute for Public Policy Research and Analysis (KIPPRA). Kenya

# An Extensible Framework for Developing Android Image Processing Applications.

Bulelani Gunu, University of Fort Hare, South Africa

A Noticeboard Application Using Context Aware Services: Case of Strathmore University, Kenya

Bernard Shibwabo, Strathmore University, Kenya

### 16:00 Session 4e: eGovernment II

Chair: Joshua Ndiege, United States International University-Africa, Kenya

Empirical Assessment of the Effectiveness of Business Intelligence Tools: Case of Free State Government Departments Tanki Eusebia Masekoala Moloabi, Central University of Technology, South Africa

Development of Extension Procedures to enhance web based e-Government System with SMS Mobile based Service. Aklan M. Majaliwa, University of Dar es Salaam, Tanzania

Proposed Model for Visual and Intuitive Crime Investigation Based on Associative Rule Mining Technique (VICIBARM): A Case Study of Kenya

Edigar Adero, Technical University of kenya(TUK), Kenya
